

C5500n Digital Color Printer

OKI[®]
PRINTING SOLUTIONS

Fast and flexible professional color printing

Robust features and outstanding support—perfect for growing businesses

For small workgroups demanding superior quality at an affordable price, the C5500n Digital Color printer from OKI Printing Solutions is your answer. It comes network-ready, combining incredible print quality, fast printing speed, the ability to print on a wide variety of media, and the legendary reliability of OKI Printing Solutions products backed by industry-leading support.

HD Color Printing technology for richer, deeper color at up to 20 ppm — The C5500n combines multilevel LED printing and new microfine toner (HD Color technology) and 1200 x 600 dpi resolution to render finer detail, more saturated colors, and more precise toner placement than ever before—for breathtaking results on regular copy paper and glossy media.

The C5500n delivers crisp, bright, color output, with the first page printing in as little as 11 seconds. Black & white pages print at up to 24 ppm, the first in as little as 10 seconds. For 2-sided color, the optional duplex unit will deliver your documents at nearly the same productivity-enhancing speeds.¹

Exceptional paper handling — The C5500n has a standard paper capacity of 400 sheets: a 300-sheet paper tray plus built-in 100-sheet multi-purpose tray for labels, envelopes,

transparencies, and card stock up to 110 lb. Use it to print everything from 3" x 5" cards to banner-size sheets up to 8.5" x 47.24" in length.

The more sheets a printer holds means fewer user interventions, so the C5500n can further increase your productivity: its paper capacity expands to 930 sheets with an optional 530-sheet 2nd tray.

Small workgroup connectivity built in — Share the advantages and efficiencies of the C5500n through its internal OkiLAN[®] 10/100 Base-T print server, or make it a personal printer by connecting via the high-speed USB v2.0 port.

Unmatched warranty support — We're so confident in the reliability of the C5500n that we provide an industry-leading 5-year warranty on its printheads, and a 1-year limited printer warranty with Overnight Exchange and optional coverage extensions.³

Of course, if you need technical assistance, you can speak to a live expert located in North America by calling 800.OKI.DATA at any time.³

If you need a high-speed, highly flexible printer that increases your productivity as your business grows, the C5500n from OKI Printing Solutions is the perfect choice.

Highlights:

- Color output at up to 20 ppm; black & white at up to 24 ppm¹
- Time to first page as fast as 11 seconds color, 10 seconds black & white¹
- HD Color Printing technology for sharper detail and richer, more dramatic color
- 1200 x 600 dpi resolution
- 10/100 Base-T Network and high-speed USB v 2.0 connectivity, standard
- Optional duplex (2-sided) printing
- Paper capacity expandable to 930 sheets; memory expandable to 320 MB
- Space-saving footprint for desktop use
- Single Pass Color™ Digital technology for printing up to 110 lb. (203 gsm) card stock and banners up to nearly 4 feet long
- Convenient operator panel provides status, enables printer and network settings changes
- High-capacity, 2-piece consumables for low Total Cost of Ownership in color and mono²
- 1-Year limited warranty with Overnight Exchange on printer³; 5-Year limited warranty on LED printheads
- Live, toll-free technical support 24/7/365³

¹ Published performance results based on laboratory testing. Individual results may vary.

² Available in 2,000- and 5,000-page SKUs. Printer ships with complete set of 1,500-page "starter" toner cartridges.

³ Available in the U.S. and Canada only.

C5500n Digital Color Printer

Specifications

Performance

- **Print Speed:** Up to 20 ppm Color; up to 24 ppm Mono¹
- **Time to First Page:** 11 sec. Color; 10 sec. Mono¹
- **Processor:** 200 MHz PowerPC CPU
- **HD Color Printing Technology:** Combines multilevel LED printing and microfine toner for sharp detail and rich color depth
- **Print Resolution:** 1200 x 600 dpi
- **Duty Cycle:** Up to 60,000 pg./mo.

Productivity Solutions

- **Web-based Printer Management:** PrintSuperVision and OkiLAN[®] Embedded Web Server

Compatibility

- **Standard:** Enhanced Windows[®] Printing; Mac[®] support – OS X v10.2 and higher; Classic OS v9.1 and higher

Connectivity

- **Network Interface:** OkiLAN[®] 10/100 Base-T Internal Ethernet Print Server
- **Local Ports:** High-speed USB v2.0

Memory

- **Standard:** 64 MB
- **Maximum:** 320 MB

Typefaces

- **Scalable:** Utilizes fonts installed on host computer (Windows or Mac)

Paper Handling

- **Paper Input:** 400 sheets standard (300-sheet Legal/Letter/Universal Tray and 100-sheet Multi-Purpose Tray); 930 sheets max. with optional 530-sheet 2nd paper tray
- **Multi-Purpose Tray:** Standard 100-sheet; handles overhead transparencies, envelopes, mailing label stock, 3" x 5" cards, and banners up to 47.24" long
- **Paper Weight:** Main tray 20 lb.–32 lb. bond (75–120 gsm); optional 2nd Tray 20 lb.–47 lb. bond

(75–176 gsm); manual feed 20 lb. bond – 110 lb. index card stock (75–203 gsm); duplex 20 lb. – 28 lb. bond (75–105 gsm)

Environmental

- **Size (WxDxH):** 17.1" x 22.1" x 13.4" (43.5 cm x 56.1 cm x 34.0 cm)
- **Weight:** Approx. 57.3 lb. (26.0 kg)

Supplies

- **Toner Cartridges and Image Drums:** Separate Black, Cyan, Magenta and Yellow
- **Toner Cartridge Life:** 2,000/5,000 pages at approx. 5% density²
- **Image Drum Life:** Approximately 20,000 pages³

Warranty

- **Printer:** 1-Year limited with Overnight Exchange⁴
- **Digital LED Printheads:** 5-Year limited warranty
