

# Powerful Performance and Smooth Handling.

On the fast track of impact printers, the MICROLINE<sup>®</sup> 390/391 Turbo is in the passing lane. Its Tank-Tough<sup>®</sup> endurance in the OKI<sup>®</sup> tradition

will keep you productive long after most of the other printers in its class have retired.

And its combination of versatile paper handling, performance and speed can't be matched.

Whether it's called on to handle long print runs or a single piece of letterhead, an envelope or a spreadsheet, in the office or on a counter, the ML390/391 Turbo is the way to go. This 24-pin dynamo excels in dedicated forms printing, turning it out equally fast and precise with pin feed or cut sheet stock.

In time trials, the ML390/391 Turbo clocks speeds up to 30% faster than its closest competitor — with a Utility mode that can kick out reports at an impressive 390 characters per second. Even the Letter Quality mode is 30% faster than the competition!

The ML390/391 Turbo printhead's lightweight samarium cobalt magnet and powerful, spring-activated pins deliver a stronger punch, and the expandable gap between the printhead and platen easily seats 4-part forms. In fact, it can accept stock that's up to twice the thickness its nearest competitor can accommodate. For stiff card stock or labels, its bottom feed\* provides a short, straight paper path to keep even the most difficult jobs running smoothly.

\* Requires optional push tractor

Reliable forms printing for increased productivity in general office and utility applications.

## Turn Your Documents Into Winners.

The ML390/391 Turbo is a dedicated forms printer that also turns out professional-looking presentations, proposals and correspondence.

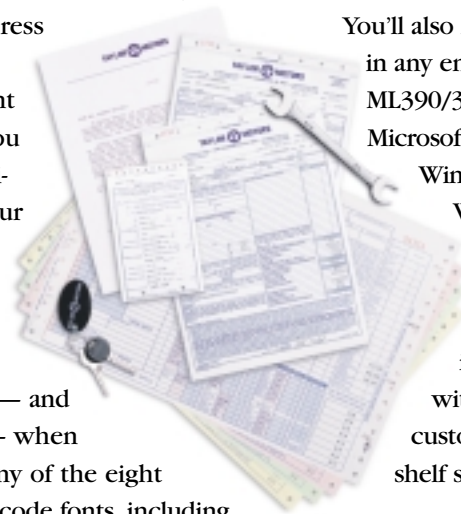

With three scalable fonts, you can express yourself in 8- to 64-point type. And you can be confident that your mailing envelopes will be equally presentable — and scannable — when you select any of the eight resident bar code fonts, including PostNet™. The printer's 24-pin printhead design will keep your print images — text and graphics — sharply defined over its 200-million character life.

In addition to superior-looking output, you want a printer that won't waste a sheet of paper

or a single form. The ML390/391 Turbo has an auto-tear feature that accurately positions continuous forms for a clean tear at the perforation — eliminating wasted forms.

You'll also look good in any environment: the ML390/391 Turbo supports Microsoft® Windows® 95/98, Windows® 3.1/3.11, Windows NT® 4.0/3.51, UNIX® and Novell® NetWare®, so it's compatible with virtually all custom and off-the-shelf software.

Drive your office productivity further, with the printer that performs and handles like a champion and delivers output that makes you feel like a winner, too. The ML390/391 Turbo from OKI.

## ML390/391 Turbo 24-PIN IMPACT PRINTERS

**Technology, Speed and Print Characteristics**

**Printhead:** 24-pin  
**Graphics Resolution:** 360(H) x 360(V) dpi max. Epson®/IBM® AGM  
**Print Speed:** Letter Quality Utility Super Speed Draft  
(cps @ 12 cpi) 105 315 390 (15 cpi)  
**Feed Rate:** 5.0 ips

**Emulation, Interface and Memory**

**Co-resident:** Epson® ESC/P2, IBM® PPR and IBM® AGM  
**Standard Interface:** Centronics® and IEEE 1284 parallel; Microsoft® Windows® 3.1/3.11, Windows® 95 (Plug and Play compatible), Windows NT® 4.0/3.51; support for UNIX® and Novell® Netware  
**Optional Interface:** RS-232C serial

**Total RAM:** 64K  
**Receive Buffer:** 23K

**Fonts/Characters**

**Resident:** Courier, Gothic, Orator, Prestige, Roman and Swiss™/Bold; Utility – Gothic  
**Scalable:** Courier, Roman, Swiss (8 – 64 pt. in 1-pt. increments)  
**Barcodes:** Code 39, UPC A, UPC E, EAN 8, EAN 13, Interleaved 2 of 5, Code 128 (A, B, C), and PostNet™ Latin American Character Sets: BRASCI, ABICOMP

**Paper Handling**

**Paper Input:** Single/Multi-Part, Continuous, Cut Sheet, Envelopes, Card Stock, Labels  
**Number of Copies:** Interleaf or Carbonless = 4  
**Thickness:** 0.017" (0.43mm) Rear Feed; 0.031" (0.79mm) Bottom Feed  
**Paper Feeding:** Top/Rear/Bottom  
**Standard Tractor:** Rear Push with Zero-tear and paper park  
**Options:** Top-Mount Pull Tractor, Bottom Push Tractor, Cut Sheet Feeder (single bin), Roll Paper Stand

**Warranty and Reliability**

**Limited Warranty:** 1 year parts/labor/printhead; 2/3-yr. options  
**MTBF:** 10,000 Hours  
**Printhead Life:** 200 Million characters at 25% duty cycle

**Environmental**

**Size (W x D x H):**  
ML390T – 15.7" x 13.6" x 4.6" (39.9 cm x 34.5 cm x 11.7 cm)  
ML391T – 21.7" x 13.6" x 4.6" (55.0 cm x 34.5 cm x 11.7 cm)  
**Net Weight:** ML390T – 15.0 lb. (6.8 kg); ML391T – 19.2 lb. (8.7 kg)  
**Acoustic Noise:** 54 dBA LQ mode; 56 dBA Utility mode; 50 dBA Quiet mode

**Power Consumption:** 100W (max.) operating  
**Electrical:** 120V, 230/240V  
**Operating Temperature:** 41° F to 104° F (5° C to 40° C); 20% to 80% relative humidity

**Ordering Information (Part Number)**

**Printer:**  
ML390T – 120V 62411901  
ML390T – 230/240V 62411902  
ML391T – 120V 62412001  
ML391T – 230/240V 62412002

**Accessories:**  
Top-Mount Pull Tractor Kit/acoustic cover:  
ML390T 70030501  
ML391T 70030601  
Bottom Push Tractor Kit ML390T 70030701  
Bottom Push Tractor Kit ML391T 70030801  
Cut Sheet Feeder 70030101  
OkilAN® 10 Base-T Ethernet  
External Print Server 70034401  
Roll Paper Stand (ML390T only) 70023301  
Serial RS-232C Interface 70012801

**Supplies:**  
Self-Inking Ribbon Cartridge 52104001
